

Operation Zero Elimination

March 16, 17,18, April 13, 15, 2010

7:55 - 10:45 am

Before the event: Freshman teachers distribute progress notices and have students identify missing work and organize supplies needed to complete it.
(March 12 or 15 and April 9 or 12)

Zero Elimination Day: All freshmen report to their “Zero Elimination” classroom bringing progress notices for all of their classes and missing work to be completed.

Where: Mac Hall

Teacher Responsibilities: After taking role, teachers will have students get out their progress notices and begin their missing work assignments. Students needing specialized help can be given passes to the help centers: PE, computer applications, Spanish, physics concepts and progress notices. Please note where students go and their return on the attendance roster.

Students who can verify through dated progress notices that all of their work is in will be given the option of choosing from three “fun” passes.

Operation Zero Elimination!

Here is what you need to do!

- On March 12 or 15 and again on April 9 or 12 , **collect progress notices** from all of your classes.
- Identify all of your missing work and gather the supplies you need to eliminate **every** zero on your progress notices.
- Report to your room assignment on each day (March 16, 17,18, April 13, 15, 2010) with the progress notices and assignments you need to complete.
- If you haven't any zeros, you can pick up your fun pass immediately! **

or

Get the help you need to eliminate every zero.

- Show your finished work to your Zero Elimination teacher.
- When **all** the zeros are eliminated, you get the fun pass of your choice.

**On April 13 or 15, you will need to monitor your Culminating Project and have eliminated all your zeros before you can pick up a fun pass.
